Dear Stevenson Student,

Welcome to UCSC—and Stevenson College! As your college advisers, we’re excited to have you join our community, and we look forward to working with you as you pursue your educational goals.

It’s time to prepare for Fall Enrollment. In general, students who are attending Summer Orientation on July 22 will be enrolling that afternoon. Most students who do not attend Orientation will enroll on Monday August 1st, though there are some exceptions. Your enrollment appointment will be available for viewing on the Student Portal (my.ucsc.edu) in mid-July.

To ensure a smooth enrollment experience and a great first quarter, please read and complete each of the Transfer Advising Guide’s steps before your enrollment day:

Step 1: Prepare to Qualify for Your Major.
Your primary focus for the next week should be familiarizing yourself with your major requirements. Contact your major advisers if you will need assistance with prerequisites or planning.

Step 2: Understand UCSC’s Graduation Requirements.

Step 3: Choose and Enroll in Your Fall Classes.

Step 4: Review Important Information & Resources.

Review and use the Summer Orientation Checklist, a list of Summer to-dos and deadlines. This will be useful whether or not you are attending Orientation.

Check your UCSC email frequently. Be sure to include your Student ID number in your email communication with any adviser. At the start of fall quarter, check your UCSC email account daily for important updates. Stevenson College and other departments will use that address to send you important information. As you may have noticed, email is our official means of communicating with you.

We know that learning a new enrollment system at a new school can be challenging, but remember that UCSC has college advisers who can help guide you through the process and answer your questions. Please feel free to contact us at stevensonsonadvising@ucsc.edu or (831) 459-4930 for assistance in navigating the university. We hope this helps get you started—and we look forward to meeting you!

Enjoy your summer... We will see you soon.

~ The Stevenson Advising Team
