DEADLINE: REMOVAL OF INCOMPLETE FROM WINTER 2012: THURS, JUNE 14

If you received a grade of "I" (Incomplete) in a winter 2012 course, it is time to finish your work if you haven't already done so! Contact the instructor to clarify what is required to complete the course. You must complete the work for the course and file the "Petition for Removal of an Incomplete" before the last day of the quarter, Thursday, June 14th. The petition is available online at http://reg.ucsc.edu/forms.htm; a $10 fee will post to your student business account upon filing.

SENIORS! DO YOU NEED TO CORRECT YOUR EGT (Expected Graduation Term)?

Your EGT (Expected Graduation Term) can be found in your Student Advising Summary on the Student Center page of your MyUCSC portal. Clicking on the "Degree" tab will reveal your final quarter at UCSC. If you need extra time beyond your EGT to complete your degree requirements (especially if your EGT is spring 2012), it is important to see your college adviser to petition extra quarters as soon as possible. It is very important to have an accurate EGT, especially if you hope to receive financial aid next year!

HOW TO DETERMINE IF A CALIFORNIA COMMUNITY COLLEGE COURSE WILL TRANSFER TO UCSC

Many of you have been inquiring about taking classes over the summer at your local community college and how to determine if they will count for GE requirements or simply be transferable for credit. For those of you that started at UCSC before fall 2010, the website assist.org will be your best friend! This website will let you know what classes will count for GE's and be transferrable at California Community Colleges. However, if you started as a first-year student in fall 2010 or later and are subject to the new GE requirements, it is important to know that the new GE's may not be available at some community colleges on assist.org. But you can still utilize assist.org to look for lower-division courses for your intended major and for general transferability of courses (credit for electives). Your college advisers are happy to answer any questions or concerns regarding this.

Housing facilities close @ noon on Friday June 15th!

Move out instructions:

- Contact your RA to arrange a specific move out and full room check time.

  - If you cannot make an appointment time group checkouts will be available on June 14th from 12-4pm and the 15th from 9am - 12pm.

  - Please note that your room needs to be in the same condition in which you moved in to avoid any cleaning or damage fees; taking the time now to prepare and clean can be very beneficial. Rates for cleaning and damages are available online at Cleaning and Damages 2011-12.

- Although the residences officially close at noon on Friday June 15, there are some exceptional circumstances where we will allow you to stay later, notably graduation or moving into transitional housing. If you do need to stay late, please fill out this Housing Extension Request Form as soon as possible. Extension requests must be submitted by Friday, June 1st to be considered.
