Housing Announcements

We will be conducting Apartment Cleaning Inspections for Winter Quarter from March 5-6, between the hours of 10 am and 5 pm. Please clean the common areas of your apartment and be ready by that week! Common areas include the kitchen, bathrooms, hallways, stairways and living and dining areas. We will not be inspecting individual rooms.

Should your apartment fail its inspection we will do a follow up inspection - should that fail, as well, we will have custodial staff come in and clean the common areas for you - billing all residents equally for the cost. Further, your apartment will need to meet with your CRE to discuss the matter.

Please prepare for this coming inspection by coordinating with your housemates. We have sent you helpful tips on cleaning and specific details on what we will be looking for. If you have any questions or concerns please do not hesitate to ask your RA, CRE or the Residential Life and Housing Office staff at 459-2173.
