FILE YOUR 2014-15 FAFSA (FREE APPLICATION FOR FEDERAL STUDENT AID) NOW THROUGH MARCH 2
UCSC students wishing to be considered for federal, state, and UCSC financial aid (grants, loans, scholarships, work-study) must apply/reapply for financial aid each year. The application process begins in January, a full eight months before the academic year for which you are applying. Applications for 2014-2015 are available on-line at http://www.fafsa.ed.gov. You can find everything you need to know on the Financial Aid website: http://www2.ucsc.edu/fin-aid/fafsa.shtml.

MODIFIED SUPPLEMENTAL INSTRUCTION
Modified Supplemental Instruction is offered to help students improve their grades in traditionally difficult courses. National data show that students who attend supplemental instruction average from one half to one full letter grade above the average of the non-supplemental instruction group. More info and a list of MSI courses can be found online at http://www2.ucsc.edu/iss/msi.shtml, or call 831-459-4333 for more information.

TUTORING SERVICES
Start the quarter off right! Whether you are doing well or really challenged, tutoring is always helpful. Visit http://www2.ucsc.edu/iss/tutorial_services.shtml to learn about
• subject tutoring in Math, Biology, Chemistry, Economics, Physics, Psychology, Sociology, and more;
• drop in tutoring in Math and Writing.
All UCSC students are eligible for up to one hour of tutoring per week for each course unless the course is supported by MSI (see below); there are also limited opportunities for MSI & Tutoring combinations. For more info, contact Learning Support Services at 831-459-4333, or see the Tutoring FAQ at http://www2.ucsc.edu/iss/faq.shtml#tutoring.

PLAN AHEAD FOR DECLARING YOUR MAJOR (DEADLINE: FRIDAY, FEBRUARY 7)
Does your intended major have any of the following pre-requisites to declaring:
• a series of required courses?
• a GPA requirement?
• a formal qualification procedure?
• a required declaration workshop?
Check your major's declaration info in the General Catalog or their department website. Or visit http://advising.ucsc.edu/student/declaration/index.html. Students currently in their sixth quarter of enrollment and transfer students who entered in Fall 2013 will need to declare their major by February 7th.
CHANCELLOR'S UNDERGRADUATE INTERNSHIP PROGRAM - $8200!
The CUIP is now accepting applications for the 2014-2015 academic year! CUIP provides on-campus internships in programs and departments throughout the campus. Interns work with a mentor to develop personal and professional skills, and take a leading role in producing project in their internship. For example: interns have worked with the campus-wide recycling programs, on marketing, outreach, and assessment strategies for various departments, and policy recommendation reports.
A two-unit leadership seminar class is required for fall, winter and spring quarters. A stipend of 8,200 dollars is paid towards the intern's registration fees for the academic year!

CUIP is a unique opportunity to learn, earn, and serve. To apply complete the required CUIP orientation, details on list of internships, and answers to FAQ'S please visit http://careers.ucsc.edu/intern/cuip/Prospective%20CUIP%20Interns%202014-15/index.html. The application deadline is Thursday, February 13th, 2014.

If you have questions email cuip@ucsc.edu or call 459-3973.
